Just received approval from EPA. If you could have Kristin sign and then send out I would appreciate it. I will be in tomorrow if any questions.

Thanks again for the help.

Shayne

Side note-I will be working with Title and Records to form a Management Agreement for this site where I will record this document and others for site since not under a use authorization.

Andrea,

Here is a digital copy of form I just provided to you for Kristin's signature if for some reason she sees a need for slight change and I am not around. Should be good as is being that she, Michal and Ted Callow have already seen and okayed.

I was hoping we could have signed today but need to wait for EPA representative to give thumbs up-I will call or forward email to proceed with signing and sending out within next 1-2 days. EPA said emailing PDF is fine but let's also send hardcopies of signed document to both EPA contacts below as well as Land Manager Lindie Schmidt. Please cc email of signed document to Neal Cox, Ted Callow and Michal Rechner.

Thank you,  
Shayne
